## SNO FALLS CREDIT UNION—WIRE TRANSFERS

Sno Falls Credit Union (SFCU) accepts incoming and outgoing domestic wires, on behalf of its members. We cannot accept foreign incoming wires via the use of a SWIFT Code. The originating bank is required to use a domestic intermediary bank, to deliver foreign wires to SFCU.

All wire transfers are processed Monday—Friday, except for bank or federal holidays. Wire requests submitted during business hours on Saturday will be processed on the next business day. Incoming wires must be initiated by the originating institution (please refer to the Incoming Wire Instructions provided on this brochure).

**Incoming Wire Fee: \$0 | Outgoing Wire Fee: \$20.00 | Returned Wire Fee: \$25.00**

*(Please note that the originating or receiving banks may charge a fee)*

## KNOW BEFORE YOU SEND!

Wire transfers are a secure method of currency transfer. However, like any transactions, the sender of the funds should do their due diligence prior to requesting the transfer. Once funds are wire transferred to the recipient, they are guaranteed funds.

- Confirm that you have the correct wire instructions for your recipient.
- Ensure that you have received the wire instructions from a trusted source.
- Verify that you know the individual or company for whom you are requesting the transfer.

Escrow: Wire instructions for escrow should always come directly from the title company, either in person or verbally. If you receive escrow instructions via email, contact the title company directly (using a known phone number) to verify the details. *Do not use the information provided in the email until it has been verified.*

Sno Falls Credit Union (SFCU) is a Community State Chartered, Non-Profit Financial Association, owned and operated by the members.
